10 jaar Volkshotel

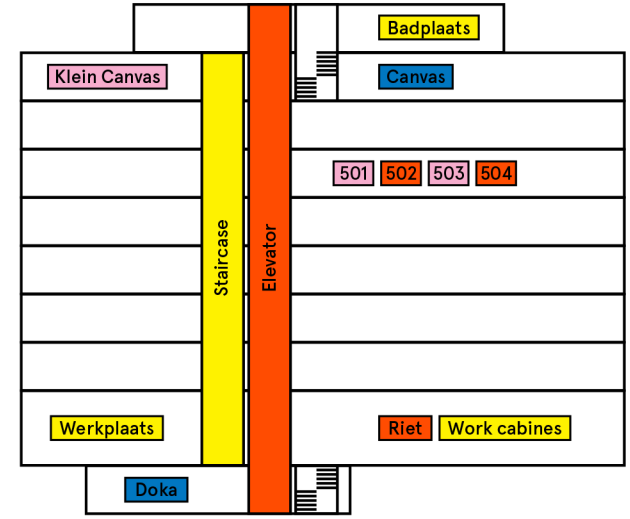

Music, art & culture across 9 floors

Welcome to *10 jaar Volkshotel*, our tenth birthday party. Celebrate this milestone with us and dance the night away across all 9 floors. In this booklet, you can read about everything we've got in store for you: music, art and culture from Doka all the way up to (Klein) Canvas. Need a break? Badplaats and the coworking area on the ground floor are designated chill areas.

Food and beverages

Drinks and food are available in the cafe of Werkplaats (ground floor) and in Canvas (seventh floor). At Doka (basement) you can also get drinks. You can take your beverages with you as you go. Have fun!
